Integrated Realty reorganizes

Integrated Realty Resources Inc. has announced the reorganization of the firm into the new Reliant LLC, effective Dec. 1. Reliant will continue to provide real estate appraisal and consulting services as well as economic analysis, market studies and litigation support. Reliant directors have more than 23 years of real estate experience in Alaska and the Pacific Northwest. The firm is on the approved appraiser lists for every major lending institution in Alaska, as well as many major national lenders.
